IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR STATEMENT

If you think your statement is wrong, or if you need more information about a transaction on your statement, contact us at the customer service number shown on page one as soon as possible. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared. When contacting us: tell us your name and account number; describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information; and tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, we will credit your account for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation.
