IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR STATEMENT

If you think your statement is wrong, or if you need more information about a transaction on your statement, contact us at the customer service number shown on page one as soon as possible. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared. When contacting us: tell us your name and account number; describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information; and tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, we will credit your account for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation.

FUNDS AVAILABILITY

Our policy is to make funds from your deposits available to you on the first business day after the day we receive your deposit. Electronic direct deposits will be available on the day we receive the deposit. Once the funds are available, you can withdraw them in cash and we will use the funds to pay checks that you have written. For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays.

SERVICE FEE SCHEDULE

A complete schedule of fees applicable to your account is available at any branch or upon request. Fees are subject to change with prior notice as required by law. Analysis-settled accounts receive a separate account analysis statement detailing activity-based charges and earnings credit.
