### 1. SERVICES AND APPROVAL

Provider will supply assigned personnel for the roles and periods shown in the attached rate card. Customer's designated supervisor will approve weekly time through the timekeeping system. Only approved hours may be invoiced.

### 2. RATES AND OVERTIME

Approved regular and overtime hours are billed at the stated assignment rate. The rate card intentionally uses a straight bill rate for overtime; Provider remains responsible for legally required overtime pay to its employees. Any premium bill rate requires a written rate-card amendment signed by both parties.

### 3. INVOICING AND PAYMENT

Provider will invoice approved time under net 15. Approved-time batches may be invoiced as soon as approved and must be invoiced no later than 35 calendar days after the latest weekly time included in the batch. Delayed batches require a documented billing exception approved by the account manager. Customer must identify disputed hours within ten business days. Undisputed amounts remain payable when due.

### 4. EMPLOYMENT RESPONSIBILITIES

Provider is the employer of assigned personnel and is responsible for payroll, withholding, workers' compensation, and employment records. Customer controls day-to-day site direction and safety requirements while an assignment is active.
